

Our Great God

**G**                    **Dm**            **Dm7**                    **G**  
Eternal God, unchanging, mysterious and unknown  
**G**                                    **Dm**            **Dm7**                                    **G**  
Your boundless love unending, in grace and mercy shown.  
**Em**                    **C**                                    **Em**                                    **C**  
Bright seraphim in endless flight around your glorious throne.  
**G**                                    **Dm**                                    **Dm7**                                    **G**  
They raise their voices day and night in praise to you alone.

{ Chorus:  
**G Dm C G**  
*Hallelujah! Glory be to our great God! (x2)*

**G**                                    **Dm Dm7**                                    **G**  
Lord, we are weak and frail, helpless in the storm.  
**G**                                    **Dm Dm7**                                    **G**  
Surround us with your angels, hold us in your arms.  
**Em**                                    **C**                                    **Em**                                    **C**  
Our cold and ruthless enemy, his pleasure is our harm.  
**G**                                    **Dm Dm7**                                    **G**  
Rise up, oh Lord, and he will flee before our Sovereign God. -----

**G**                                    **Dm Dm7**                                    **G**  
Let every creature in the sea and every flying bird;  
**G**                                    **Dm Dm7**                                    **G**  
Let every mountain, every field and valley of the earth;  
**Em**                                    **C**                                    **Em**                                    **C**  
Let all the moons and all the stars in all the universe  
**G**                                    **Dm Dm7**                                    **G**  
Sing praises to the living God, who rules them by His word.-----
